

**MATERIAL SAFETY DATA SHEET**  
 according to til EU Regulation 1907/2006

|                |            |             |            |
|----------------|------------|-------------|------------|
| Product name:  | PectaGum   | Page:       | 1/4        |
| First edition: | 28.12.2017 | Print date: | 20.05.2021 |
|                |            | Version:    | GB 1.0     |

## 1 Identification of substance/mixture and of the company/undertaking

### 1.1 Product identifiers:

Product name: **PectaGum**

Name of substance/mixture: Dietetic supplementary feed

### 1.2 Relevant identified uses of the substance or mixture and uses advised against:

Identified uses: Prevention and treatment of diarrhoea.

Uses advised against Nothing in particular.

### 1.3 Details of the supplier of the safety data sheet:

Company: Scagro A/S  
 Engholmvej 10  
 6621 Gesten

Telephone: +45 4499 2533

Email address: info@scagro.dk

1.4 Emergency telephone number: +45 4036 9776 (Scagro A/S, Christian Jensen)

## 2 Hazards identification

### 2.1 Classification of the substance or mixture:

The product is not classified

### 2.2 Label elements:

The product does not need to be labelled in accordance with EC directives or respective national laws.

### 2.3 Other hazards:

The product can produce dust.

## 3 Composition/information on ingredients

3.1 Substances: Natural product (sugar, pectin, electrolytes).

3.2 Description: White powder

## 4 First aid measures

### 4.1 Description of first aid measures:

If inhaled: Move person into fresh air, clean nose and throat.

In case of skin contact: Wash off with soap and water.

In case of eye contact: Flush with plenty of water for 15 minutes at least.  
 Remove contact lenses.  
 In case of continued irritations. Seek medical advice.

| Product name:  | PectaGum   | Page:       | 2/4        |
| First edition: | 28.12.2017 | Print date: | 20.05.2021 |
|                |            | Version:    | GB 1.0     |

## 5 Firefighting measures

|                                      |  |
|--------------------------------------|--|
| <u>Suitable extinguishing media:</u> | CO <sub>2</sub> , foam, water spray.<br>Must be appropriate according to local surroundings and environment. |
| <u>Advice for firefighters:</u>      | Use normal firefighting equipment.   |
| <u>Further information:</u>          | The product is not flammable.  |

## 6 Accidental release measures

|                              |  |
|------------------------------|--|
| <u>Personal precautions:</u> | Avoid dust formations.                         |
| <u>Environments:</u>         | Sweep up spillage.                             |
| <u>Clean up:</u>             | Sweep up and wash thoroughly with clean water. |
| <u>Disposal:</u>             | See section 13.                                |

## 7 Handling and storage

|   |   |
|---|---|
| <u>7.1 Precautions for safe handling:</u> | Nothing in particular.  |
| <u>7.2 Conditions for safe storage:</u>   | Keep container tightly closed in a dry, cool and well-ventilated place.             |
| <u>7.3 Specific end uses:</u>             | Apart from the uses mentioned in section 1.2 no other specific uses are stipulated. |

## 8 Exposure controls/personal protection

|  |   |
|--|---|
| <u>8.1 Control parameters:</u>                               | Nothing in particular.                            |
| <u>8.2 Exposure controls:</u>                                | General industrial hygiene practice.              |
| <u>8.2.1 Measures for industrial hygiene:</u>                |   |
| <u>8.2.1.1 Respiratory protection:</u>                       | If handling large quantities: Use dust mask.      |
| <u>8.2.1.2 Hand protection:</u>                              | If handling large quantities: Use gloves.         |
| <u>8.2.1.3 Eye protection:</u>                               | If handling large quantities: Use safety glasses. |
| <u>8.2.1.4 Skin protection:</u>                              | Use normal work clothes.                          |
| <u>8.2.2 Measures for control of environmental exposure:</u> |   |
| <u>General:</u>  | Wash hands before breaks and after work.          |

## 9 Physical and chemical properties

|   |                      |
|---|----------------------|
| <u>9.1 Information on basic physical and chemical properties:</u> |                      |
| <u>9.1.1 Appearance:</u>  | White powder.        |
| <u>9.1.2 Odour:</u>   | Weak, fresh, fruity. |
| <u>9.2 Other safety information:</u>                              |                      |
| <u>Flaming point:</u>   | Not flammable.       |
| <u>Spontaneous ignition:</u>                                      | Not self-igniting.   |
| <u>Explosive properties:</u>                                      | Not explosive.       |
| <u>Water solubility</u>   | Insoluble in water.  |

**MATERIAL SAFETY DATA SHEET**

## 10 Stability and reactivity

|   |   |
|---|---|
| <b>10.1 Reactivity:</b>                         | Nothing in particular.                    |
| <b>10.2 Conditions to avoid:</b>                | None in particular.                       |
| <b>Chemical stability:</b>                      | Stable at recommended storage conditions. |
| <b>10.3 Possibility of hazardous reactions:</b> | No data available.                        |

## 11 Toxicological information

|                                |  |
|--------------------------------|--|
| <u>Eye contact:</u>            | Irritation and redness.                        |
| <u>Skin contact:</u>           | Light irritation and desiccation.              |
| <u>Respiration:</u>            | Dust might irritate the mucous membranes.      |
| <u>Additional information:</u> | No dangers found by normal use of the product. |

## 12 Ecological information

|  |                   |
|--|-------------------|
| <b>12.1 Toxicity:</b>                      | None              |
| <b>12.2 Mobility:</b>                      | None              |
| <b>12.3 Persistence and degradability:</b> | No data available |
| <b>12.4 Bioaccumulative potential:</b>     | No data available |
| <b>12.5 Other adverse effects:</b>         | No data available |

## 13 Disposal considerations

|                                      |   |
|--------------------------------------|---|
| <b>13.1 Waste treatment methods:</b> |   |
| <u>Product:</u>                      | Offer surplus and non-recyclable products to the local waste disposal.          |
| <u>Contaminated packaging:</u>       | Empty thoroughly and offer the empty packaging to the municipal waste disposal. |

## 14 Transport information

|                                  |  |
|----------------------------------|--|
| <u>Transport information:</u>    | No restrictions.   |
| <u>International regulation:</u> | Not subject to the international regulation on transport of dangerous goods (IMDG, IATA, ADR/RID). |

## 15 Regulatory information

|                    |   |
|--------------------|---|
| <u>Regulation:</u> | This safety data sheet complies with the requirements of Regulation (EC) No. 1907/2006, amended by Regulation (EC) No. 1272/2008. |
|--------------------|---|
